It's Raidtime for CGoM

The majority of our members have leveled to 80 and got as much gear as they can stomach through in the heroic dungeons, it's time to move to the next level in WotLK. We're looking to fill our raiding slots with basically long-range DPS. Mages, Warlocks, Shadow Priests and Hunters are encouraged to apply to our guild. Our raid times are still somewhat casual as compared to other raiding guilds (3-4 nights a week), starting at around 9:30pm server time. If you're looking for a smallish raiding guild with a family feeling of close friendships, check us out.
